### Land Rover Discovery 1 & 2 Workshop Service Repair Manual

Land rover discovery 2 TD5 and TDv8 steering boxes are prone to failure from leakage of power steering fluid and also wear in the steering box internals that can lead to free play in the steering box. Discovery 2 steering boxes usually suffer leakage of power steering fluid from either the lower main seal at the bottom of the steering box or from the steering input shaft seal at the top of the box, just replacing seals on the steering box is not a permanent cure as the underlying reason that ...

i presume it is possible that the waterpump and the power steering pump (they sit back to back) could have bled through from the one to the other on the Td5. it will be the first one i have heard of but anything is possible. advise to strip out the water pump and assess for signs of damage to o-rings and signs of oil ingress.

### Land Rover Discovery Power Steering Pump Replacement Costs

Good day all, Thought I should post this as I have just repaired an oil leak on my D2 TD5 power steering pump. Got all the parts from Bearing Man. I replaced the front and rear oil seals on the casings as well as the gasket between the 2 casings. Parts used was 2 x oil seals and an off cut piece of Phoenix gasket cost me less than R100.
