Reptile seems conceived as an album to address all the disparate audiences Clapton has assembled over the years. His core audience may think of him as the premier blues guitarist of his generation, but especially as a solo artist, he has also sought a broader pop identity, and in the 1990s, with the hits "Tears in Heaven" and "Change the World," he achieved it.

Eric Patrick Clapton, CBE (born 30 March 1945) is an English rock and blues guitarist, singer, and songwriter. He is the only three-time inductee to the Rock and Roll Hall of Fame: once as a solo artist and separately as a member of the Yardbirds and of Cream. Clapton has been referred to as one of the most important and influential guitarists of all time.
