### 4900 Planter | Kinze

Switch from 76 cm to 70 cm row spacing quickly and easily with one planter. With the exclusive Kinze push split row units positioned on twin tool bars, trash is able to flow easily and cleanly beneath the planter. This improves seed placement accuracy and planting efficiency over other split row planters.

### Kinze Parts Lookup - New Holland Rochester

unit bounce and vibration can contribute to less than optimum population and spacing accuracy. Troublesome hopper-applied seed treatments are not normally used when testing. Recommended operating speed ranges should be observed for optimum performance. FACT # 1: Today's KINZE Finger Pickup Corn Meter is the best finger pickup meter ever produced.
