Micro-ISV: From Vision to Reality - Joel on Software

Bob Walsh has been very active in the microISV world over the last year and this week his book Micro-ISV: From Vision to Reality is being released. Bob has been a contributor here at microISV.com as well as moderating the Joel on Software - The Business of Software forums, and that's only in his spare time.

Micro-ISV | SpringerLink

This is my foreword to Bob Walsh's new book, Micro-ISV: From Vision to Reality. How the heck did I become the poster child for the MicroISV movement? Of all people. Sheesh. When I started Fog Creek Software there was gonna be nothing "micro" about it. The plan was to build a big, multinational software company...
