People scoffing at the difficulty or format of the exam will not change that but a large influx of OSCP holders who cheated their way through the exam will. Offensive Security is trying to protect their position in the market and I cannot fault them one bit.

Cheating Attempts and the OSCP | Offensive Security

The OSCP is one of the most respected and practical certifications in the world of Offensive Security. With this post, I intend to share my experiences as well as some tips and tricks for going through lab machines and the arduous 24 hour exam.

And I did OSCP! - Praveen Nair - Medium

I started the exam at around 4pm since this was when I would normally get home from work and start working in the labs every day so I thought it might feel routine to begin at this time. I worked until about 3am and then took a short 4-5 hour nap. If you happen to fail an OSCP exam attempt, that is no problem!
