Monitoring poverty and social exclusion in the UK 2006 | JRF

Child poverty fell, regardless of where precisely the relative poverty line is set. Despite the progress made, the interim target for 2010, set by the Labour government, will have been missed. If the rate of poverty reduction could be sustained, the 2020 target would nonetheless be achieved only seven years later, in 2027.

Progress and Poverty Quotes by Henry George

The Government has set the target of ending child poverty in a generation and reducing it by one-quarter by 2004. A study by Holly Sutherland, Tom Sefton and David Pliachaud from the University of Cambridge and the London School of Economics gives the most detailed analysis to date of the progress so far towards these goals and the prospects of reaching the short-term target.
