Reimagining Child Soldiers in International Law and Policy ...

Reimagining Child Soldiers in International Law and Policy also develops a comprehensive model that hopes to reinvigorate debates and urges for reform; that of the circumscribed actor. As the book unfolds, Drumbi endeavors, rather successfully in my opinion, to explain the ways in which such a model could fill the gaps and correct the shortcomings of contemporary international law and policy.

Reimagining Child Soldiers in International

"Reimagining Child Soldiers in International Law and Policy provides a timely and compelling contribution. The book is moulded in rich prose and illuminating vocabulary. Any interested reader will be challenged, inspired, set free from the constraints of conventional wisdom."

Amazon.com: Reimagining Child Soldiers in International ...

This perception has come to suffuse international law and policy. Although reflecting much of the lives of child soldiers, this portrayal also omits critical aspects. This book pursues an alternate path by reimagining the child soldier. It approaches child soldiers with a more nuanced and less judgmental mind.

Reimagining Child Soldiers in International Law and Policy ...

The international community undertakes considerable efforts to eradicate the scourge of child soldiering. Mostly, though, these efforts replay the same narratives and circulate the same assumptions. This book takes a second look at these efforts.

Reimagining Child Soldiers in International Law and Policy ...

Reimagining Child Soldiers seeks, among other goals, to deconstruct the dominant narrative of the faultless passive victim and to recast the child soldier in a more visionary application of what he calls the "international legal imagination." He repeatedly invokes the example of Omar Khadr, the 15-year-old detained and tried for alleged war crimes by the U.S. military commission at Guantanamo.

REIMAGINING CHILD SOLDIERS IN INTERNATIONAL LAW AND POLICY

* Reimagining Child Soldiers in International Law and Policy is groundbreaking in its broad coverage of child soldier experiences and the ways in which the international community and various governments address the problem of child soldiering.
