So I just recently bought all the Ewha 1-1 books (textbook, workbook, study guide) thanks to your lovely review! I'm currently in love with the Ewha books! The study guide complements the textbook really well and I love how they add pointers on when to use a certain phrase on certain occasions and on when to use the particles.

Review under cut! For those who prefer a video review, there's a link below to my youtube video too! Previously, I've briefly reviewed the Ewha Textbook Level 1&2 series so today I'm going to focus more on the study guide and how it complements the textbook. I might do another detailed review of the textbook & workbook another time.
