LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Story of Goldilocks and the Three Bears

Goldilocks was hungry and the porridge looked good, so she sat in the great big chair, picked up the large spoon and tried some of the porridge from the big bowl. But the chair was very big and very hard, the spoon was heavy and the porridge too hot. Goldilocks jumped off quickly and went over to the middle-sized chair.

The Goldilocks Enigma: Why Is the Universe Just Right for ...

As an eminent physicist and cosmologist, he knows his subject matter with distinction. Better still, he has a real enthusiasm for explaining complex scientific issues to a lay audience. His book, The Goldilocks Enigma, examines the extraordinary 'bio-friendliness' (i.e. the fine-tuning) of the universe.

Paul Davies's new book The Goldilocks Enigma wrestles with some of the deepest philosophical issues around, but concentrates on one in particular:

Get Free The Goldilocks Enigma Why Is The Universe Just Right For Life By Davies Paul 2007 Paperback

'why is the world the way it is?' He approaches this question through a discussion of a hot topic in theoretical physics that most scientists refer to as the 'Anthropic Principle', but which Davies chooses to label the 'Goldilocks Enigma'. This refers to the fact that the physical laws that govern the universe are 'just right' for the development ...

Review: The Goldilocks Enigma by Paul Davies | Books | The ...

This is a very important book because it is about a cosmological principle that links humans to the forces and structure of the universe by way of many coincidentally balanced features, (The Goldilocks Enigma), that are necessary to our existence, and at the same time are relevant to the structure of the universe.

Cosmic Jackpot - Wikipedia

The Goldilocks Enigma does not attempt to answer the great questions of where the universe came from, where life came from and where we came from.

PAUL HIMES The Emergent, Self-explaining Universe of Paul ...

Goldilocks was very tired by this time, so she went upstairs to the bedroom. She lay down in the first bed, but it was too hard. Then she lay in the second bed, but it was too soft. Then she lay down in the third bed and it was just right. Goldilocks fell asleep. As she was sleeping, the three bears came home.
