Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Guardian review | Books | The Guardian

The Department for Business, Innovation and Skills (BIS) has published a report ("the progress report") detailing the progress made in implementing each of the 17 recommendations outlined by Professor Kay in his review of the UK Equity market in 2012 (the "Kay Review"). The progress report highlights that "good progress" has been made but that "more needs to be done".
