Loans for private consumers are among the products offered by most banks in Germany. Their assignment is linked to certain criteria. These include, for example, a permanent employment, sufficient income and not too many open financial obligations.

The Lotus And The Rose

Overall, The Lotus and the Rose is a conversation between two people who model how to learn from each other. That is something that our society needs right now, and if there is one bright spot -regardless of the things either Fox or Tsomo says that I disagree with- in this book, I would say it is that.
