### **Women, Migration & the Cashew Economy in Southern ...**

With an epilogue addressing the devastation of Mozambique's cashew processing industry by war and World Bank policies after 1975, helpful glossary and maps, and a lively (and often urgent) narrative style, Women, Migration, and the Cashew Economy is a much-needed corrective to Mozambican labour history. It should also be welcomed as a valuable Lusophone contribution to the historiography of gender in colonial Africa, and as an engaging resource for undergraduate and graduate classes.
